BALOO LOO LAMMY

Out of heaven I come to tell
the best news that ere befell.
To ye such tidings true I bring.
And of them I will say and sing
Baloo loo lammy.

part 1:
This day to you is born a child.
Of Mary meek, the Virgin mild.
That blessed bairn so loving and kind.
Shall now rejoice both heart and mind.
Baloo loo lammy.

O my dear heart, young Jesus sweet.
Prepare thy cradle in my spirit.
And I shall rock thee in my heart.
And nevermore from thee depart.
Baloo loo lammy. Loo. Loo. Loo.

SNOW FORT

We had a snowstorm here last night.
And now the snowbanks are all stretching to the sky.
The time is right to build ourselves a castle
with walls of snow and ice.
We'll pack it tight and then we'll have a snowball fight!

chorus:
We're building a snow fort, snow fort that we can hide behind.
A strong little snow fort, snow fort that we can climb inside.
There are snowballs flying through the air
but we are safe inside our strong little snow fort, snow fort.

(shout: Snow fort!)

And we will build it with our friends.
Working together and the fun will never end.
It makes me smile. We're making lots of mem'ries
when working side by side.
And now it's time to have another snowball fight!

repeat chorus

(shout: Snow fort!)

repeat chorus

Oh, we're building a snow fort, snow fort, snow fort.
shout:
Snow fort!

Hanukkah Dreams

Candles bright. What a sight.
Hanukkah dreams fill our hearts tonight.

Dreidels spin. Children grin.
Eight nights of Hanukkah now begin.

And our happiness we share.
Little gifts that show we care.
And the love that's in our hearts fills our home.

And the dream we dream each day
is to let this feeling stay.
And we wish each other peace. Shalom.

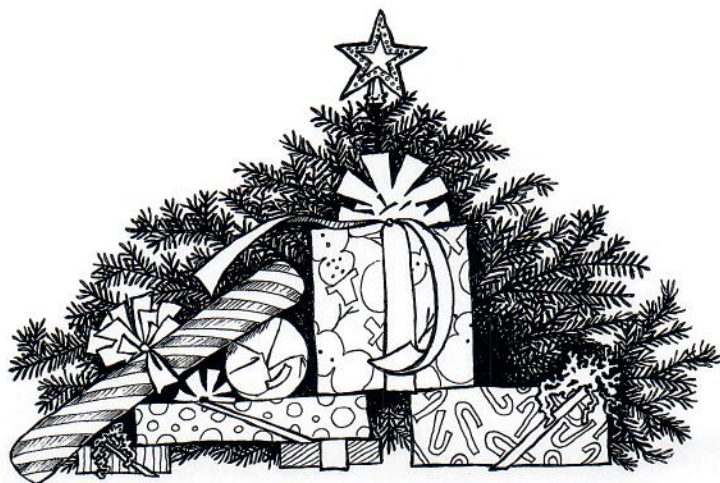

Dreidels spin. Children grin.
Eight nights of Hanukkah now begin.

Candles bright. What a sight.
Hanukkah dreams fill our hearts tonight.

Hanukkah dreams fill our hearts tonight.

Under The Tree

Under the tree, colorful, pretty tree.
Under the tree, I am so ready, see?
Red and green, blue and silver ribbon.
Packages wrapped for cheerful giving.

Under the tree, colorful, pretty tree.
Under the tree, I am so ready, see?
Gifts with bows, I know that I got one.
I've been good, now I'm ready for fun!

Under the tree, colorful, pretty tree.
Under the tree, I am so ready, see?

See? (spoken solo, optional: Ooh... Shiny!)

Dancing Snow Dog

My dog is a winter pup. He loves it when it snows.
He gets a twinkle in his eyes. A tingle in his toes.
When the snow is all around there's one thing he loves best.

My dog loves dancing in the snow.
He's always prancing. Looks like he's ballroom dancing.
He doesn't mind when it gets cold,
'cause he keeps moving.
He is a dancing snow dog.

I know my dog likes to fetch. He also loves to run.
But winter changes ev'rything when the snow falls down.
When he sees the ground is white, his dancing shoes come out.

My dog loves dancing in the snow.
Tango or rumba, might even be a samba.
He doesn't mind when it gets cold,
'cause he keeps moving.
He is a dancing snow dog.

He's so happy. He is a dancing snow dog.

Can't Stop the Feeling

I've got this feeling inside my bones.
It goes electric, wavy when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we in our zone

I got that sunshine in my pocket, got that good soul in my feet
I feel that hot blood in my body when it drops, *ooh*
I can't take my eyes up off it, moving so phenomenally
Room on lock the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine (just imagine) just imagine

Nothing I can see but you when you dance, dance, dance
I feel a good, good creeping up on you, so just dance, dance, dance. *Come on!*
All those things I shouldn't do, but you dance, dance, dance
And aint nobody leaving soon, so keep dancing
I can't stop the feeling (so just dance, dance, dance)
I can't stop the feeling (so just dance, dance, dance) *Come on!*

Ooh, it's something magical.
It's in the air, it's in my blood, it's rushing on
I don't need no reason, don't need control
I fly so high, no ceiling, when I'm in my zone

I got that sunshine in my pocket, got that good soul in my feet
I feel that hot blood in my body when it drops, *ooh*
I can't take my eyes up off it, moving so phenomenally
Room on lock the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine (just imagine) just imagine

Nothing I can see but you when you dance, dance, dance
I feel a good, good creeping up on you, so just dance, dance, dance. *Come on!*
All those things I shouldn't do, but you dance, dance, dance
And aint nobody leaving soon, so keep dancing

I can't stop the feeling (so just dance, dance, dance)
I can't stop the feeling (so just dance, dance, dance)
I can't stop the feeling (so just dance, dance, dance)
I can't stop the feeling (so keep dancing)

I can't stop the feeling (got this feeling in my body)
I can't stop the feeling (got this feeling in my body)
I can't stop the feeling (wanna see you move your body)
I can't stop the feeling (got this feeling in my body)
I can't stop the feeling (got this feeling in my body)

Break it down! Got this feeling in my body. Come on!
