Let's Get Together

Let's get together, yeah yeah yeah
Why don't you and I combi-ine
Let's get together, what do you say
We can have a swingin' ti-ime
We'd be a cra-a-azy team
Why don't we ma-a-ake a scene?
Together, oh oh oh oh

Let's get together, yeah yeah yeah
Think of all that we could sha-are
Let's get together everyday
Every way and everywhere
And though we haven't got a lot
We could be sharin' all we've got
Together

Oh, I really think you're swell
Uh-huh, we really ring the bell
Oo-wee, and if you stick with me
Nothing could be greater, say hey alligat-ah!

Let's get together, yeah yeah yeah
Two is twice as nice as one
Let's get together right away
We'll be having twice the fun
And you can always count on me
A gruesome twosome we will be
Let's get together, yeah yeah yeah!

The Spectrum Song

Red, Yellow, Green, Red, Blue Blue Blue
Red, Purple, Green, Yellow, Orange, Red, Red

Red, Yellow, Green, Red, Blue Blue Blue
Red, Purple, Green, Yellow, Orange, Red, Red

Blend them up and what do you get?
Cerise, Chartreuse, and Aqua
Mauve, Beige, and Ultra-marine
And every color in-between

Huzo ka lie ka no cha lum bum

Color has its harmony
And just like I have said:

Red, Yellow, Green, Red, Blue Blue Blue
Red, Purple, Green, Blue, Purple, Red, Red

Blend them all and what do you get?
Cerise, Chartreuse, and Aqua
Mauve, Beige, and Ultra-marine
And every color in-between

Ing za rie ko fo zie brun brun

Color has its harmony
And just like I have said:

Red, Yellow, Green, Red, Blue, Pink, Grey
And White and Plaid, and Blue, Green
White, Yellow and toodinz and white and stripes
With Blue and Black and Plaid

And what, what, wait a second!
What, what's going on with all the colors?
Blue, Red, Green, Green, White, White, Black, What?

Whatever happened to just pain old Lavendar Blue Dilly Dilly?
Dilly...dilly...silly.

The Beautiful Briny Sea

How pleasant bobbing along, bobbing along
On the bottom of the beautiful briny sea
What a chance to get a better peep
At the plants and creatures of the deep
We glide...far below the rolling tide...
Serene...through the bubbly blue and green...

It's lovely bobbing along, bobbing along
On the bottom of the beautiful briny sea
What if the octopus, the flounder and the cod
Think we're rather odd. It's fun to promenade
Bobbing along, singing a song
On the bottom of the beautiful briny sea

It's lovely bobbing along, bobbing along
On the bottom of the beautiful briny sea
What a chance to get a better peep
At the plants and creatures of the deep
It's grand...when you're dancing on the sand...
Each glance...bubbles over with romance...

It's lovely bobbing along, bobbing along
Through the water where we get along swimmingly
Far from the frenzy of the frantic world above
Two beneath the blue could even fall in love

Bobbing along, singing a song
On the bottom of the beautiful briny
Shimmery shiny, beautiful briny sea

That's What Makes the World Go Round

Merlin: (spoken) *Every flick of a fin creates movement.*

So first we start with the cordal fin.

Come on, let's get the rhythm...

(Music Starts)

Right, left, right, left, one, two

Merlin: Left and right

Like day and night

That's what makes the world go round

In and out

Thin and stout

That's what makes the world go round

For every up, there is a down

For every square...

Arthur: There is a round?

Merlin: Yes! For every high...

Arthur: There is a low?

Merlin: Uh huh! For every to

Arthur: There is a...

Merlin: Fro.

To and fro

Stop and go

That's what makes the world go round

In and out

Thin and stout...

Arthur: *Merlin! Merlin, I swallowed a bug.*

Merlin: *Oh. What's wrong with that?*

After all, my boy, you are a fish.

Instinct, you know.

Set your sights upon the heights

Don't be a mediocrity

Don't just wait then trust to fate

And say, "That's how it's meant to be"

It's up to you how far you go
If you don't try, you'll never know
And so my lad as I've explained
Nothing ventured, nothing gained

All: Left and right

Like day and night

That's what makes the world go round

In and out

Thin and stout

That's what makes the world go round

For every up, there is a down

For every square, there is a round

For every high, there is a low

For every to, there is a fro

To and fro

Stop and go

That's what makes the world go round

In and out

Thin and stout

That's what makes the world go round

Arthur: For every to, there is a fro

For every stop, there is a go

And that's what makes the world go round

Scales and Arpeggios

Every truly cultured music student knows
You must learn your scales and your arpeggios
Bring the music ringing from your chest and not your nose
While you sing your scales and your arpeggios

If you're faithful to your daily practicing
You will find your progress is encouraging
do mi so mi do mi so mi fa la so it goes
When you do your scales and your arpeggios

mi mi fa so so fa mi re do do re mi mi re re

Though at first it seems as tho' it doesn't show
Like a tree, ability will bloom and grow
If you're smart, you'll learn by heart what every artist knows
You must sing your scales and your arpeggios

If you're smart, you'll learn by heart what every artist knows
You must sing your scales and your arpeggios

I Wanna Be Like You

Now, I'm the king of the swingers
The jungle VIP
I've reached the top and had to stop
And that's what botherin' me

I wanna be a man, mancub
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around!

Oh, oobee doo
I wanna be like you, hoo, hoo
I wanna walk like you
Talk like you, too, oo, oo
You'll see it's true, oo, oo
An ape like me, ee, ee
Can learn to be hoo, oo, oo man too, oo, oo

I'll ape your mannerisms
We'll be a set of twins
No one will know where mancub ends
And orangutan begins

And when I eat bananas
I won't peel them with my feet
'Cause I'll become a man, mancub
And learn some "ettikeet"

Oh, oobee doo
I wanna be like you, hoo, hoo
I wanna walk like you
Talk like you, too, oo, oo
You'll see it's true, oo, oo
An ape like me, ee, ee
Can learn to be hoo, oo, oo man too, oo, oo

A Spoonful of Sugar

In every job that must be done
There is an element of fun
You find the fun and snap!
The job's a game
And every task you undertake
Becomes a piece of cake
A lark! A spree! It's very clear to see

That a spoonful of sugar helps the medicine
go down
The medicine go down
Medicine go down
Just a spoonful of sugar helps the medicine
go down
In a most delightful way

A robin feathering his nest
Has very little time to rest
While gathering his bits of twine and twig
Though quite intent in his pursuit
He has a merry tune to toot
He knows a song will move the job along

For a spoonful of sugar helps the medicine go
down
The medicine go down
Medicine go down
Just a spoonful of sugar helps the medicine
go down
In a most delightful way
In a most delightful way

Let's Go Fly a Kite

With tuppence for paper and
strings
You can have your own set of
wings
With your feet on the ground
You're a bird in flight
With your fist holding tight
To the string of your kite

Oh-oh-oh

Let's go fly a kite
Up to the highest height
Let's go fly a kite
And send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite, a kite

When you send it flying up there
All at once you're lighter than air
You can dance on the breeze
Over houses and trees
With your fist holding tight
To the string of your kite

Oh-oh-oh

Let's go fly a kite
Up to the highest height
Let's go fly a kite
And send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite, a kite

It's A Small World

It's a world of laughter
A world of tears
It's a world of hopes
And a world of fears
There's so much that we share
That it's time we're aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

There is just one moon
And one golden sun
And a smile means
Friendship to everyone
Though the mountains divide
And the oceans are wide
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world
